CyberScout Products

Valuable products for protection at every stage of life.

Credit Protection

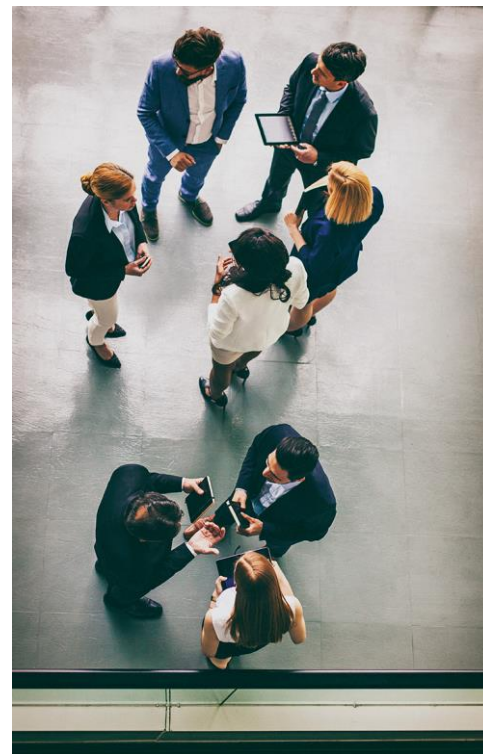

- **Daily Credit Bureau Monitoring**—Daily monitoring of personal records from one or three credit bureaus.
- **Credit Report and Score**—Provided annually by one or three credit bureaus.
- **Score Tracker**—Ongoing tracking of credit score. Downward trends may indicate that new accounts are being opened in your name.

CyberScout Products

Proactive Identity Monitoring

- **Cyber Monitoring**—Continuous monitoring of the internet.
- **Social Security Number Monitoring**—Reviews names, aliases and addresses associated with social security number.
- **Change-of-Address Monitoring**—Reports all addresses associated with member's identity.
- **Court Records Monitoring**—Monitors municipal court records for criminal acts reported using member's identity.
- **Payday Loan Monitoring**—Online, rent-to-own, and payday lenders are monitored.
- **Sex Offender Notification** — Monitors registered sex offenders to ensure offender hasn't used member's identity.

CyberScout Products

Advanced Monitoring Services

- **Password Protector**—An easy way to track account credentials and reduce hacking risks.
- **Reputation Manager**—Monitors popular social media services for information, including photos and updates or comments that could hurt member's reputation.
- **Child Monitoring** — Checks child's social media and alerts you member if child is associated with inappropriate or dangerous material.

CyberScout Products

Two product tiers for different needs and budgets.

Silver Plan

Comprehensive identity monitoring and management.

Platinum Plan

Adds enhanced features to further protect identity.

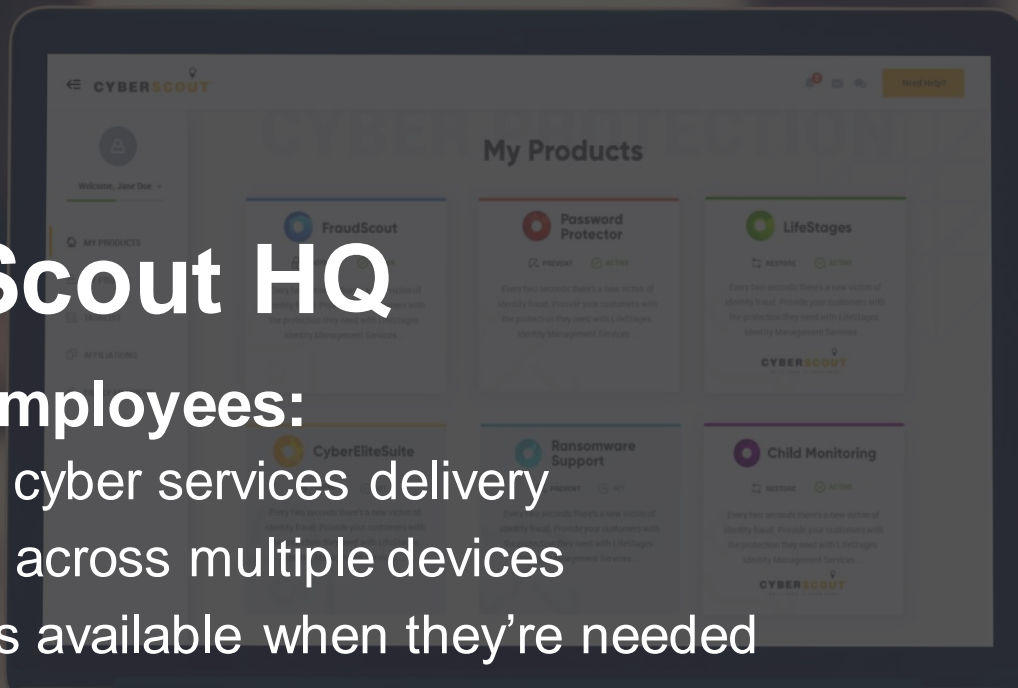

Plan Pricing per pay:

	Silver	Platinum
Individual:	\$3.67	\$7.36
Family:	\$7.36	\$14.75
