Have you considered LASIK?

Laser vision correction (LASIK) is a procedure that can reduce or eliminate your dependence on glasses or contact lenses. This corrective service is available to you and your eligible dependents at a special discount with your Davis Vision plan.

Is LASIK right for you?

Are you nearsighted, farsighted or have astigmatism? If so, LASIK could help you regain your vision through a single procedure.

How does LASIK work?

The FDA approved procedure reshapes the cornea so that light entering your eye is properly focused onto the retina. Vision is usually corrected immediately following the LASIK procedure.

Special pricing for Davis Vision members guaranteed to be lower than other carriers.
Plus! Flexible financing options available, 12 months interest free.

True value in the Davis Vision Exclusive Collection

What is the Davis Vision Exclusive Collection?

The Exclusive Collection is a compact, rotating fixture of 222 frames available to Davis Vision members for low out-of-pocket expense. Consisting of three color-coded tiers of frames (red: designer; yellow: fashion; blue: premier), the Exclusive Collection offers different price points for our members to choose from.

The Exclusive Collection provides members an expanded selection of frames and is an enhancement to their frame allowance benefit.

What makes the Exclusive Collection unique?

The Exclusive Collection offers Davis Vision members a selection of frames for a fixed copay. Depending on plan design, these can be fully covered or can have a minimal cost associated with each tier of frames. In addition to providing members a low out-of-pocket cost option, all frames within the Exclusive Collection come with a free one-year breakage warranty.

How much are Exclusive Collection frames?

Fashion Tier frames have a retail value of up to \$100. Designer Tier frames are valued up to \$160, and Premier Tier frames are valued up to \$195. Exclusive Collection frames can vary in cost and are dependent on plan design, although most Davis Vision members will not pay more than \$40 out of pocket no matter which tier they choose from.

Want to find eye care professionals with the Exclusive Collection?
