

Family Vision Discount Plan

Family Vision Care Center is offering Saratoga Hospital employees and their immediate family members a discount at our eye boutique. Our office carries a number of boutique and designer frame lines as well as specialty sports eyewear.

The discount includes:

- 25% off a complete pair of glasses (frames and lenses)
- 20% off non prescription sunglasses
- 20% off lenses to update your current frame

How it works:

Simply bring in your current glasses prescription and present the discount card. If you need an eye exam, we participate in the major medical insurance offered by the hospital, so your cost would be the specialist co-pay. Please give us a call to make your appointment.

We are located on the corner of Lake Ave and East Ave and have a parking lot for your convenience.
